

Excel Eltech Inc

Excel Eltech Inc

EXCELlence in ELectronic TECHnologies

- ✿ *Franchised distributor for world class electronic component manufacturers*
- ✿ *Direct buy from more than 300 worldwide electronic component manufacturers providing OEM COC and complete traceability*
- ✿ *We only supply new and original parts and strict internal QC procedures to ensure highest quality*
- ✿ *Extensive Inventory of Semiconductors, Connectors, RF&Microwave Components and a broad array of all other Electronic Components bought directly from world's finest quality manufacturers*
- ✿ *Catering to the needs of OEMs in Defense, Aerospace, Military, Industrial and Commercial sectors.*
- ✿ *Design & Development, Modules & Sub-Systems manufacturing Services*
- ✿ *F&E operations to provide cost effective cross references and complete component engineering solutions*
- ✿ *Logistics, Warehousing and Shipping operations from USA and Singapore to suit customer requirements.*
- ✿ *Excellent Service with competitive pricing and JIT delivery*
- ✿ *Highly Experienced Technical team and outstanding dedicated customer service.*

Our Value added Services include :

- ✿ *Technical services : F&E support, technical presentations on innovative products and technologies, and supporting the customers with cost effective cross reference suggestions and solutions*
- ✿ *Testing : We offer development tools on a limited-time loan basis to support you*
- ✿ *We also provide components in die and wafer form, as well as coordinating wafer fabrication and packaging services.*
